ROMANTIC CELEBRATIONS

WEDDINGS A destination wedding is a joy forever – and Oasis Sens has wedding packages you will fall in love with. With beautiful settings and luxurious amenities, Oasis Sens is more than just a romantic, exotic place to tie the knot, it's a great value, too! Ask about our complimentary wedding package, as well as all the options available.

HONEYMOONS The never-ending story starts here in paradise at Oasis Sens. Honeymooners get to enjoy each other in a beautiful, relaxed setting – and they get special VIP treatment while they stay!

This program offers priority check-in through the Oasis Plus Desk with a tropical welcome cocktail, complimentary upgrade to the best available accommodations, fruit plate and bottle of sparkling wine, and special reservations for a honeymoon dinner with a bottle of house wine (5-night minimum stay).

AN EXCLUSIVE OASIS SMART CAR CAN SET YOU FREE

Oasis knows our guests really like to get around – that's why we've got a fleet of 200 Smart cars just for them to use. Guests who stay in Sian Ka'an Club rooms at the Oasis Sens get complimentary use of a Smart car but any Oasis guest can rent a Smart car at competitive rates (mandatory insurance not included). It's environmentally friendly, and perfect for zipping around Cancun and Tulum, whether you want to shop for hand-crafted Mexican art and accessories or take in the amazing and exotic sights.

Why not visit Xcarat, the majestic archaeological park, where there's so much to explore – underground rivers, butterfly pavilions, orchids, turtles and manatees – and catch the exciting live *History of Mexico* performance. Or visit the ecopark at Xel-ha where you can snorkel, watch cliff divers and swim with the dolphins. And no vacation is complete without a visit to the Mayan ruins of Tulum and Chichen-Itza. The Smart car is also a great way to take advantage of the Oasis Runaway program and enjoy the facilities of a sister resort.
